LSA Reserved Keyway

The "Locksmith's Only" LSA Cylinders

Offer your customers the next best thing to patented keyways at a fraction of the cost. You can offer your customers a higher level of key control and security than is available with the more common keyways. Like all LSDA products, this keyway is sold only through Locksmiths.

We reserve the right to restrict sales of LSDA15 and LSDA20 Keyblanks based on cylinder purchases.
